

Minutes of the WG4 meeting - 2015-03-10

Present: Axel Mustad, Christoffer Aberg, Egon Willighagen, Linda Rieswijk, Friederike Ehrhart, Richard Marchese Robinson, Markus Hegi, Nina Jeliaskova, Peter Ritchie, Taehyun Yoon, Shahzad Rashid

Next meeting: April 21st

Announcements

- [Notes](#) from the NSC Review meeting (Dec 2014)
- [NSC meeting is on April 15](#), not in March as in the notes of last time
 - Iseult Lynch agreed to represent the WG4
- Recent minutes [are online](#)

eNanoMapper Updates

- Year 1 meeting in Sofia, Bulgaria two weeks ago
- eNanoMapper will co-chair the [Database US-EU CoR](#) (specifically Barry Hardy)
- ontology released in alpha on [GitHub](#) and soon [BioPortal](#) (also [project page](#))
- NanoWiki data [online on Figshare](#)

Community Activities

- NanoWG paper series (Nanomaterial Data Curation Initiative, NDCI), please see <https://nciphub.org/>
 - <https://nciphub.org/groups/nanotechnologydatacurationinterestgroup/wiki>
 - Richard Marchese Robinson is leading data quality and completeness (please contact him if interested)
 - survey is still awaiting some responses
 - Egon and Sharon are initiating the database linking work
 - survey is being planned
 - webinar: April 2nd
- Templates. Nina: [Open Source tool](#) ready to parse templates using separate (possibly private) XML config files describing the structure for import into eNM database, or, for example, for conversion to ISA-Tab

Database task

- Discuss contents (questions) to go into the 2nd version of the database survey <http://www.nanosafetycluster.eu/working-groups/4-database-wg/tasks-2/2013-1.html> - Agree on survey deadline and final publishing. Agree to actions, people involved, etc.
 - Axel and Egon will coordinate with the NCiHub data linking effort (Nanomaterial Data Curation Initiative, NDCI)

Prosafe Project

- overlap with eNanoMapper and WG4

- See also [these slides](#) from the NSC review meeting

Publishing task

- No updates

April NSC meeting

- Egon will brief Iseult Lynch.
