# FIOH's offer to continue the coordination of the NSC

- FIOH makes an offer to continue the NSC coordination after the end of 2015 for the period January 1, 2016 – December 31, 2018, including:
  1. To continue NSC technical coordination including organizing NSC meetings together with the host organization (preparing invitations, agendas, minutes, reporting)
  2. Conceptual Coordination of the NSC activities in concert with Commission (RRR & CTTM roadmaps, updating the SRA) together with the responsible parties
  3. Shaping of the NSC strategy in support of the Commission as agreed with the Commission and the NSC
- FIOH can use 0,25 person years of its own resources annually in addition to resources, drawn from the EU-funded research projects
- Support of EU-US CoR activities [Commission request]

Thank you!
